INTERNATIONAL MISSION MONTH - OCTOBER 2023

World Communion Sunday & Peace and Global Witness Sunday, October 1, 2023

On World Communion Sunday, we celebrate that Christ's peace extends throughout all creation. Whenever the church gathers for worship, we are assured of Christ's Peace. We celebrate that we are connected, we are loved and we are not alone. We worship together and are fed from Scripture and at Christ's table of peace.

Through participation in the Peace and Global Witness Offering, our church is extending Christ's peace throughout our community and our world. We begin at the communion table, with our siblings in every time and place, and we celebrate the peace we find there and commit to building a more just and peaceful world. God is with us...we are not alone. Peace begins with each of us.

Our gifts to the **Peace and Global Witness Offering** are helping our neighbors in need nearby and across the globe. 25% of the Offering stays with local congregations to support peacemaking and reconciliation in our own community. This year we have chosen the New River Valley Chapter of Moms Demand Action as the recipient of our offering. Moms Demand Action is a grassroots movement of Americans fighting for public safety measures that can protect people from gun violence.

25% of the Offering goes to our mid-council to support peacemaking work in our region. 50% of the Offering supports the work being done by Presbyterians across the globe, such as work to prevent human trafficking, work to address the effects of climate change, and work to address structural racism and other systems of injustice. *(continued on page 3)*

Newsletter Deadlines: We look forward to your items for the newsletter. Please have all items submitted to Rhonda by the **15th of each month** for the upcoming month's issue. Items may be submitted by email to Rhonda at the following: rhonda@blacksburgpres.org.

Trusting in God's presence, grace, healing, and care, we pray . . .

- for Bill and Mary Jane Henika as he undergoes testing this week.
- for healing for Mary Lee Hendricks' brother, Bob Alderson, who was injured in a fall.
- for the victims of the devastating earthquake in Morocco and devastating floods in Libya. We pray for strength, hope and courage for the survivors, and for the world community we pray for the will and wisdom to know how to help.
- for Kindra Kohl, friend of BPC and U-Kirk, as she receives treatment for leukemia.
- for the Women's Resource Center, and their work of counseling, shelter and advocacy, and for the women and children they support and protect.
- for members of our congregation and community as many are coping with COVID.
- for our siblings in Maui, Hawai'i whose homes and communities are damaged and destroyed by wildfires, and for those grieving devastating loss of life. We lift up their trauma and suffering, and ask for strength, hope, courage and safety.
- as we cry out for the earth and all things suffering from disasters made even more devastating and frequent from climate change. We pray for safety for those most affected, for relief, for hope, for guidance, and for unity of purpose in mitigation and reversal of the alarming trend of climate warming. We are grateful that we live in a time when we have the resources to affect it. Give us, as citizens of earth, the wisdom to know what to do, and the will, hope, and energy to do it.
- for people throughout the world who live in one of the more than 30 countries experiencing war right now, particularly Sudan and Ukraine. We pray especially for women and children who bear the biggest burdens, for military and political leaders who need to hear the voices of peace, and for church leaders as they speak out against violence and for security and an end to fighting.
- for our partners and friends in CEDEPCA in Guatemala, and for our co-workers, Betsey and Eric Moe and their family in Guatemala, as they have traveled around the PCUSA sharing stories of their work.
- for Dr. Arie Glas and our partners in Mulanje, Malawi, working to meet ongoing health, educational and food-producing needs, while recovering from the extreme devastation wrought by recent Cyclone Freddy.
- for our mission partners, Dessa Quesada-Palm and Cobbie Palm, in the Philippines, and their work with water access, theater ministry, pastoral seminars and peace advocacy.
- for those friends and members of BPC, and in our community who are struggling with physical and mental health challenges. May they and their loved ones feel comforted and supported.
- as we struggle with gun violence again and again, and know that our prayers alone are not enough, though we cannot seem to find a helpful way forward. We pray for justice, peace, and societal wisdom.
- for our local community and global community to support each other as we oppose racism, antisemitism, bigotry, and oppression.
- for victims of police violence and for all of us reckoning with issues of police brutality, racial inequity, and a system which engenders fear and lack of trust in many people.
- for all those struggling to have enough to eat, to live in safety, to feel loved, and to have hope.
- for Steve Drumheller and Suzanne Sanford, Sue and Ben Johnson, Stan and Janne Mathes, Renee Lahn, Jan McGilliard, Nancy Alexander, Wilmoth O'Dell, Bill Foy, and for those in the military: Luke Phillips, Eden Elizabeth Lawson, and Joel Hunter.

Malawi Luncheon: Past accomplishments and our Future

11:45 in Fellowship Hall

Please join the Malawi Partnership for a light lunch and presentation of past accomplishments in Malawi and the church's future participation. Malawi is a landlocked country located in southeastern Africa which consistently ranks as one of the 10 poorest countries in the world. It is a predominantly Christian nation known as The Warm Heart of Africa for its warm temperatures, beautiful scenery and the friendliness of its people.

Blacksburg Presbyterian Church has been involved with our Malawi partners for almost twenty years and in that time, we have accomplished many good things: scholarships for day school students, nursing students and most recently two medical school students. We have also helped the Mulanje Presbyterian Mission Hospital with solar panels, medications and the Sustainable Livelihoods Program. Please join us to hear about the ongoing Malawi projects and discussions on how the church plans to continue this partnership. In particular, some of our most energetic supporters are ready to hand off the baton to others, so this is an opportunity to hear whether you would like to volunteer.

Please come on October 22, directly after worship, and listen to the past accomplishments and help decide the future of our Malawi Partnership. A light lunch will be served.

Musical Opportunities for Children

Beginning, Sunday, September 24, children in grades 1-5 are invited to stay after worship for a snack and hand-chime rehearsal, in preparation to play in worship on Oct. 1. A second rehearsal will be at the beginning of Sunday School on October 1. The music is a random-ring selection and all children can participate even with the short rehearsal time.

During the fall semester, Sunday School for children in grades 1-5 will begin at 9am in the sanctuary with a short music time featuring songs, chimes, and rhythm instruments.

Interfaith Food Pantry - Holiday Food Bags

For the upcoming holiday season, the Interfaith Food Pantry would once again like to provide families with a special bag of food for a holiday meal. Participating families will receive this bag of food along with a turkey or ham at Thanksgiving and Christmas. In order to make this happen, the food pantry has reached out to supporting churches and other organizations throughout the community requesting help with this effort. Along these lines, our Community Ministry Team would like to ask for your support through donations of canned green beans. Our goal is 500 cans.

If you would like to contribute, please leave your donations in the designated collection box just outside of the church office no later than October 15. If you would prefer to support this initiative with a monetary donation, please do so at www.blacksburgpres.org/give. THANK YOU!

News from CEDEPCA

CEDEPCA's Disaster Ministry Works with Self-Development of People PC(USA) to Reduce Poverty

"I have learned to make bread and to sell it, and, with the income, I have paid for my studies and I've helped my mother. I lost my father to COVID. My mother and I were very worried about supporting ourselves, but this project has allowed us to move forward. I am very thankful for the opportunity provided to me with this project." Eunice Perez (UTZPAN)

In Guatemala, 61.6% of the population lives in multidimensional poverty according to the World Bank. Factors for multidimensional poverty include income of \$2.15 per person per day; at least one elementary or middle-school-aged child is not enrolled in school; no adult has completed elementary school; and/or the family has lack of access to basic infrastructure – clean water, sanitation, electricity.

The Disaster Ministry of CEDEPCA is working with the PCUSA Self Development of People to reduce these aspects of poverty. They are doing this through different projects aimed at helping people to start small businesses. The projects have generated income, contributed to a sense of dignity in the lives of those living in poverty, helped to reduce the need for migration, increased self-esteem in the participating groups, and lowered the vulnerability of the families and communities.

One such project is UTZPAN in Mixco, Guatemala, on the outskirts of Guatemala City. Through this project, people were trained to prepare and sell different types of bread. The quote at the beginning of this article is from a participant in this project. *(Photo: A group of young men and women from UTZPAN are preparing bread to sell.)*

Along with helping to start businesses, the Disaster Ministry also strengthened relationships with these groups by providing workshops to strengthen resilience to confront the many crises that life presents.

Together with our partners at CEDEPCA, we at BPC are part of this ministry which is lifting people out of poverty.
